Subject: RE: GKM - Status of Results

So can we expect Sunday and Monday results on Wednesday or Thursday? 3-day lag time is a bit much for the county emergency ops folks here.

Thanks,

Mark

We have preliminary from Fri sampling. Should be finalized and validated by this afternoon. Anticipate results for Sat. sampling on Weds.

Importance: High

When can we expect sample results from Animas/San Juan river monitoring from Friday or Saturday? Still waiting.

Thanks,

Mark McCasland
